In re: Patent Application of:

TOM I. LINCIR

TITLE: BARBELL PLATE WITH APERTURES FOR LIFTING

CONTINUATION OF SERIAL NO. 09/687,354

FILED: 10/13/2000

ART UNIT: 3764

DECLARATION VERIFYING NATURE OF PRIOR ART CITED

I, Tom Lincir Declare as follow:

I am the inventor of the invention covered by the above indicated Patent Application.

I have been in the business of designing and marketing barbell plates for over thirty five years and am closely familiar with the designs of such plates which have appeared in the marketplace.

I am closely familiar with barbell plates which have been and now are being manufactured and /or marketed as OLYMPIC PLATES including the plates photographically pictured in cross section in Exhibit "A" hereto. Such plates, including those pictured in Exhibit "A" hereto do not have a tapered portion running between the

central portions and the peripheral portions thereof, as taught and claimed in the above indicated Patent Application.

Being duly warned that willful false statements and the like are punishable by fine or imprisonment or both under 18 United States Code 1001 and may jeopardize the validity of the above Application or any patent issuing thereof Declare that all statements made of my own knowledge are true and all statements made on information and belief are believed to be true.

DECLARATION VERIFYING PRIOR INVENTION UNDER 37CFR 1.13

I, Tom Lincir Declare as follow:

I am the inventor of the invention covered by the above indicated Patent Application.

The invention covered by said Patent Application was completed prior to August 12, 1999, a fully working model of the device of the invention described in and covered by said Patent Application having been built and operated fully as described in said Patent Application prior to August 12 , 1999. This is prior to the filing dates of the applications from which patent nos D433.720 and D432, 602 matured. A cross-sectional photograph of said working model is submitted herewith as exhibit "A" hereto and a front plan view photograph of said working model is submitted

as exhibit "B" hereto. I do not know and do not believe that this invention has been in public use or on sale or described in a printed publication in this or any foreign country for more than one year prior to said Application and this invention has never been abandoned.

Being duly warned that willful false statements and the like are punishable by fine or imprisonment or both under 18 United States Code 1001 and may jeopardize the validity of the above Application or any patent issuing thereon I declare that all statements made of my own knowledge are true and all statements made on information and belief are believed to be true.
